

Games' Report: May

Wow can you believe it; we got the April game show off the ground. We got lucky to have a dry arena with all the rain that came the week prior and after the show. As all of you saw, we are working very hard on improving the grounds. We still have some hard work ahead of us, but as we promised it will get done.

We had over 80 riders and the weather was perfect. It takes a lot of people to get the first and all shows off the ground. I would like to thank the following people for stepping forward and **volunteering** to take a committee role for the upcoming season. (Please be looking for these people to sign up and get your worker points.)
