Bits & Spurs Members:

The show, games, Dressage season is upon us. And with the new show season we have a new arena! Happy days!!!! If you all did not have a chance to work at the arena a couple of weeks ago you missed out. It was so fun to see the transformation, and it was so easy and fast. The rails and posts were done that week end

in 1 ½ days. Yes, we were done by lunch on Sunday.

We have changed our meeting location from Alfys to Paraiso Mexican on D Street near Top Foods in Snohomish. Remember attending one meeting a year is required if you wish to receive a year end award.

Show Division

I want to say a big thank you to the exhibitors and spectators who attended the schooling show. We had great fun, weather, like new arena, and a yummy BBQ. Thank you also to all of the workers for the day. We had 52 horse and rider combinations, 217 rides. It was a big success, one of the largest shows we have had in a long time. My hope is

Our next show is May 16th and the points will count for year end awards. This show also will count for the Saddle Series High Point Award (all classes with the exception of green horse will be tallied). We will be having new concessions available with yummy items like Indian tacos, chili and Frye bread, polish dogs and bacon cheeseburgers.

We then are sponsoring a Benefit Fun Schooling show on June 5th. If you need a final tune up with that horse this will be the show to go to. Trophies for high points and another BBQ. Thank you for making the show a success, we have a good start to a great year, Vickie

Dressage is Back

Dressage is back at Bits and Spurs.

May 23rd Bits and Spurs and the Jeans and Jodhpurs 4-H club will be co-sponsoring a Dressage Show.

This show will provide a medal qualifying opportunity for 4-H members, and a chance for Bits and Spurs to have this discipline back for year end awards.

Vivian Doolittle will be judging our first show.
